Let's Celebrate Happy BirdDays!

It's Party Pueo time!

1. Cut out this awesome Party Pueo (which is an actual photo of an HWC patient)

2. Show us how you celebrate! Take photos of your party pueo throughout November celebrating HWC's birthday. Selfies with Party Pueo, Party Pueo at the office or at a family bbq are all fair game. Just please keep it family-friendly!

3. Share your photos on Facebook, Twitter and Instagram with the hashtag #happybirddayshwc, or email your photos to: birddays@hawaiiwildlifecenter.org.

You may just see your photos on our website!

The Hawaii Wildlife Center is a professional native bird and bat rehabilitation organization that adheres to nationally recognized standards of care for wildlife.

No hats were actually put on HWC's pueo patient in the making of Party Pueo.
