

BROWN BOOBY PUPPET

WHAT YOU NEED: 1 rubber band, scissors, tape, pen or pencil, and this pattern

INSTRUCTIONS

1) Cut out the 3 pieces of this pattern: the booby's body and two feet.

2) With a pen or pencil, poke a hole where the dot is on both sides of the bird's body.

3) Cut the rubber band so you have one long piece of elastic (instead of a loop). Tie one end of the rubber band to one of the holes you made in step 2. Go behind the booby body cutout and tie the other end of the rubber band to the other hole.

4) Wrap the ends of the right foot cutout around your middle finger until snug. Tape the end to stay in place. Repeat with the left foot cutout on your pointer finger.

5) Attach the body cutout to the back of your hand (the rubber band should be across your palm or wrist) Make an upside-down "peace sign" like this photo → and you're ready to go!
